

2021 Summer Holiday Camps

(International School Holiday Edition)

Here are the exciting music and performing arts camps we will be offering during the 2021 summer holidays, for children ages 3 and up!

Disney Magic Camp

Hands down our most popular camp - Bringing you the magic of Disney in this three-day camp! Campers will learn to sing and dance a medley of songs from popular Disney shows, create their own props, and showcase a choreographed performance at the end of the camp!

Instrument Exploration Adventure Camp

This camp is perfect for children who aren't sure which instrument to pick up first or who wish to explore a different instrument than the one they are learning. Choose two or three instruments, out of the following list - piano, ukulele, guitar cajon and vocals. Campers will spend the week learning their selected instruments.

(* Guitar is for children aged 7 and up)

Piano Blast Off

Let your child learn the basics of piano in just one week - a great way for you to gauge his/her interest before signing up for formal lessons! Our campers will learn piano fundamentals and basic music theory using our Creative Hearts piano books, and master a few songs in just 5 days. For complete to early beginners.

Musical Olympics

There is no better way to learn or revise music theory concepts than through games! Campers will be taught music concepts such as solfege, rhythm, dynamics, tempo, note reading and in teams, pit their skills against each other in exciting musical Olympic Games!

Around the World in 5 days

Not travelling in 2021? Not to worry. Campers will be taken on a trip around the world and introduced to cultures and songs and instruments from different countries over five days. They will also get to bring home their hand made Didgeridoos, Pan Flutes and Maracas as souvenirs from Summer of'21.

Magic of Musicals

For older children who are fans of Broadway Musicals, they would love our week-long musical theatre camp - singing, dancing and acting out some of the most well-loved songs and scenes from kid-friendly musicals! Campers will put up a mini showcase at the end of the week.

Songwriting Stars

Children will learn songwriting fundamentals, write a song together, learn basic music production and arrangement, and record vocals for their hit song. A hands-on way to learn about the songwriting process from start to finish! Perfect for Taylor Swift wannabes!

Studio Experience

Give your child the gift of a studio experience - campers will have a vocal warm up session, vocal coaching for their chosen song, and the opportunity to record their vocals in a 2 hour session at our studio. We will then edit, mix and master the track and deliver it to you. A great way to remember the Summer of '21. Optional add ons: 4 vocal lessons at 10% off usual price.
