

2020/2021 Holiday Camps

Here are the exciting music and performing arts camps we will be offering this end of year holidays, for children ages 3.5 and up!

Superheroes Music Odyssey

We will assemble and head on an unforgettable superhero-themed musical adventure, exploring rhythm, music notation, solfege (do re mi)! We will even create our own superhero identity, craft our own capes and write our own theme song!

Children will get to venture into an imaginative musical world of superheroes and learn musical concepts the fun way. For complete and early beginners.

Instrument Exploration Adventure Camp

This camp is perfect for children who aren't sure which instrument to pick up first or who wish to explore a different instrument than the one they are learning. Choose between piano, ukulele, guitar, vocals and cajon. Campers will spend the week learning the two or three instruments of their choice.

Disney Magic Camp

Children will experience the world of musical theatre as they learn how to dance and act in this exciting Disney camp! Campers will learn acting fundamentals and dance choreography, boosting their confidence in expressing themselves through music! There will also be an art and craft segment to make props and costumes.

Please note - if the government's restrictions on singing still applies, there will not be any group singing.

Songwriting Stars

Children will learn songwriting fundamentals, write a song together, learn basic music production and arrangement, and record vocals for the song. A hands-on way to learn about the songwriting process from start to finish!

Studio Experience

Give your child the gift of a studio experience - camps will come in to record a song of their choice in a 1.5hour session, and we will edit, mix and master the track and deliver it to you - no better gift for your loved ones this Christmas!

Optional add ons: 4 vocal lessons, and get the studio experience at 20% off!

Christmas Piano Jams

It's that time of the year again! Let your child learn the basics of piano in just one week - a great way for you to gauge his/her interest before signing up for formal lessons! Our campers will learn piano fundamentals and basic music theory, and master a few songs in just 5 days, and all with a Christmas theme! For complete to early beginners.
