There's something for everyone - Disney, The Greatest Showman, Taylor Swift and K-pop-themed performing arts camps; Instrumental Camps such as the Instrumental Exploration Camp (learning three instruments in a week), Christmas Piano Camp and Pop Piano Camps; Experimental Music for Kids, Music Production and Songwriting Camps as well as fun music and movement and craft camps for the little ones such as Santa's Grotto, Jungle Adventure and Dinosaur Stomp!

PERFORMING ARTS CAMPS

Disney Magic Camp

Hands down our most popular camp - End the year on a high with some Disney magic! Campers will learn to sing and dance a medley of songs from popular Disney shows, create their own props, and showcase a choreographed performance at the end of the camp! The performance will be recorded and sent to parents.

Swifties Pop Stars Camp

What better way for your child to engage in music and performance than to explore the music of one of today's most popular singer-songwriters! Our campers will delve into Taylor Swift's hit songs and learn vocal techniques and choreography. This two-day camp will end with an exciting mini concert by our pop stars!

Greatest Showman Camp

For children who love musical theatre, this three-day camp will be tons of fun. Campers will learn songs and choreography from the hit musical *The Greatest Showman*. They will then get to put up their own performance at the end of the camp, which will be filmed so parents can also enjoy the show from home!

K-Pop Camp

Calling all K-pop lovers! This camp is perfect for children who love singing and dancing to Korean pop songs. They will learn energetic and fun choreographies to well-loved songs, and learn the fundamentals of K-pop dance. Campers will also put up a mini showcase at the end of the programme that will be filmed and sent to parents.

Christmas Show Choir & Drama Camp (Full Day Camp)

This camp offers a ton of festive fun to children - song, dance, drama and crafts all packed into one! Over 2 full days, campers will learn vocals and choreography to Christmas pop songs, and put up a skit. Parents can also experience the fun by watching the recorded showcase, filmed on the last day of camp. Lunch will be provided in the form of a bento box from French Ladle.

INSTRUMENTAL CAMPS

Instrument Exploration Adventure Camp

This camp is perfect for children who aren't sure which instrument to pick up first or who wish to explore a different instrument than the one they are learning. Choose three instruments, out of the following list - piano, ukulele, cajon and vocals. Campers will spend the four mornings learning their selected instruments.

Christmas Piano Camp

It's beginning to look a lot like Christmas! Let your child learn popular carols on the piano and have fun with these festive tunes. Our campers will learn basics of music theory such as note reading and rhythm, play a few Christmas songs on the piano and resonator bars, and put up a showcase at the end of the 5 days. Parents can watch the recorded performance - a great way to kickstart the holiday season! Suitable for complete to early beginners.

Pop Piano Camp

Olivia Rodrigo and Taylor Swift fans? This camp is perfect for older children who want to explore their piano skills in the pop genre. Campers will learn pop music concepts such as chords, chord progressions, and the ability to sing and play. This is a great way to grow your child's love for music, and for them to experience the joy of applying their piano skills to songs they know and love. No piano background required. Two age groups available: Juniors 7-11yo; Teens 12-16yo)

MUSIC PRODUCTION / SONGWRITING CAMPS

Music Production for Kids

Want to let your child explore the world of music production? This three-day programme brings campers behind the scenes of music production and digital music. They will learn concepts such as recording, arranging, tracking and editing, and try their hand at producing their own piece on GarageBand. Campers are required to bring their own iPads.

Experimental Music for Kids

An exciting programme for kids who are interested in trying out less conventional approaches to music and to explore different processes behind its creation. Campers can look forward to making their own musical sounds from sampling everyday sounds, eg. crushing a plastic bottle, doors opening/closing, running water. Campers will work on an experimental music score together, and have their track come to life!

Songwriting Stars

For our aspiring songwriters: this is for you! In this two-day music and creative writing workshop, campers will learn the basics of songwriting and apply them to create their own tunes! The best Christmas present for your family - a masterpiece written by your very own songwriter!

Music Mystery Room

Explore the world of music through an exciting adventure in the music mystery room! Campers will learn and revisit music theory concepts such as pitch, rhythm, note-reading, music symbols and composers, through unlocking puzzles and challenges in a music mystery room themed camp.
